Sir

I have the honor herewith
to transmit my Resignation as 2nd Lieut of
Capt McCampbell's Co - 8th Tex. Infy.

My Reasons for so doing is long ill health.

I have been confined to my bed for nearly six months,

I am unable to perform any military duty.

I think it unjust to the other officers of the Co

to make them perform my duty. I therefore think

the good of the service will be subserved, if my

Resignation is accepted - these are the reasons.

which constrain me to offer it.

Hart applied to me for a certificate on
which to ground an application for his resignation.
I do hereby certify that I have carefully examined this
officer, and find that he has chronic rheumatism. From the effects
of which, the slightest excess of fatigue or exposure brings upon
him months of sickness. Since the first of last November he has
had Billious fever, Pneumonia & Typhoid fever. Has not
been officer of the day more than three times since the first
of last January. In consequence thereof, he is in my opinion,
unfit for duty. I further declare my belief that he will not be
able to resume his duties, in any reasonable length of time, if ever.
Therefore I recommend that his resignation be accepted.

Remarks

Indorsement on roll shows. The prisoners whose names are
borne on this roll have made written application as well as verbal
for the privilege of taking the oath. I have examined these men
and the remarks placed opposite their names are the same as
given by the men. Number of these prisoners have any special
claim for the privilege of taking the oath and I am inclined to
believe that many of them are governed by the last influence
brought to bear on them & many would if placed inside the rebel
lines make good rebels.

Exhibit, No. 1, which said Exhibit, C. T. Stewart was on duty

County, Tex.

Judge, Adcock, was sitting in the room. Stewart
C. T. Stewart, who has heard the charge, proposed
against you, how say you, guilty or not guilty?
To which the accused, Stewart, C. T. Stewart replied
Not Guilty.

The Judge, Adcock then gave notice that should
there be any persons present in Court who have
been summoned as witnesses, they must retire and
wait until called for.

(5)

Trade Hampton, Corporal in Capt John Ireland's Company of the 1st
Massachusetts, a witness for the prosecution duly sworn.

By Judge Ideocate.

Ques. State all you may know if anything) as to the accused
sleeping in post, also, as to the time, word, place, and all
about it?

Ans. At night, between the hours of two and three o'clock (A.M.) at
Camp Christ, I was Corporal of the guard, and went round
with the relief guard, and came round to the post, on which
the accused was posted No 4, and found him lying down, with
his head against or near the fence. When I came near accused
I halted the relief guard, and slept up to Mr. Stewart, the accused,
and spoke to him, and he roused up, and made some remark,
I did not remember what the remark was, and I think I touched
the muzzle of his gun - I shook it and aroused him up. I
said nothing more to him except to fall into line, and posted
a sentinel to relieve him, I marched around with the guard
to where the rest of the guard were lying and dismissed them.
To the best of my recollection this occurred in the latter part of June
1862.

Ques. In what company is accused attached and what is his rank?

Ans. Accused is a private in Capt John Ireland's Company.

Ques. Was the accused one of the guard on the night in question,
if yes, state whether or not he was duly posted as a
sentinel at post No 4?

Ans. I know nothing more of the guard that night than that I was
called upon to relieve them. I saw the accused Mr. Stewart
in the ranks at 8 o'clock at Company roll call with his
gun. All the guard had their guns.

Ques. State, as near as you can, the condition of the accused at the
time you found him on the ground at post No 4 and state
any facts in your knowledge going to show that he was
asleep, or awake, and especially state whether or not
he moved when you and the relief approached him.
Before you touched him and waked him up?

(6)

Ans.

I did not see him more before I clouted him. He might have moved, but I did not notice it if he did.

When I advanced near to him I stooped for a moment. When I spoke to him, he answered in a rather careless way, rather grunted and moved a little. The muzzle of his gun was lying down, and I caught hold of it and shook it and he got up, staggered, and came near falling. I at once saw that accused was under the influence of liquor - I think, in fact.

I would not say positively whether he was asleep or not, because it is impossible to state positively whether a man is asleep when he is under the influence of liquor, and stupor, or in a kind of stupor, and when I spoke to him he answered in a kind of grunt or groan.

Ques. State whether it was usual, on evening roll call, on ordinary occasions, for any others than those detailed or ordered for the night to leave their guns?

Ans. No, it was not usual.

Ques. State whether or not Post No. 4, was the usual place where the Sentinel was posted, and also, state whether or not the accused was lying down on the line of the regular beat of the Sentinel for Post No. 4?

Ans. Yes, sir, it was the regular post for a Sentinel, and his head was against the fence, and his feet towards the path or beat. - The path or beat was seven or eight feet from the fence.

Ques. State whether or not there was no enemy near Corpus Christi at that time, if so how far off, were they and did this post look out on the bay or the contrary?

Ans. There was no enemy near, they had not been near there that day. The post referred to looked out on the bay.

Cross examined by Accused.

Ques. Was the accused lying or sitting down when you found him?

(7)

Ans. He was lying on his right side, as well as I recollect, his head was either near or against the fence.

Ques. Did you see him before he was placed on guard, if so what was his condition?

Ans. I saw him in the evening at evening roll call - I saw evening, and he was drunk.

Ques. Did he appear to be drunk, or asleep when you found him?

Ans. I cannot state whether he was drunk or asleep, - I know he was drunk, and in a state of stupor.

Ques. Was it difficult to arouse him?

Ans. When I spoke to him first he sort of grunted, and when I shook his gun he got up and staggered around.

Ques. Did he not rise as soon as any one in his drunken condition could naturally?

Ans. Yes, sir, I think he did, after I spoke to him and aroused him.

Ques. Did he not arise almost immediately after you spoke to him?

Ans. He did, after I spoke to him and shook him, sir.

Ques. Did you ever see him drunk at any time before when called upon duty?

Ans. I never did sir, to the best of my recollection.

Ques. Did you ever know him to miss a roll call or a drill or drill when he was detailed for other duty, or was excused?

Ans. No, sir, I never did.

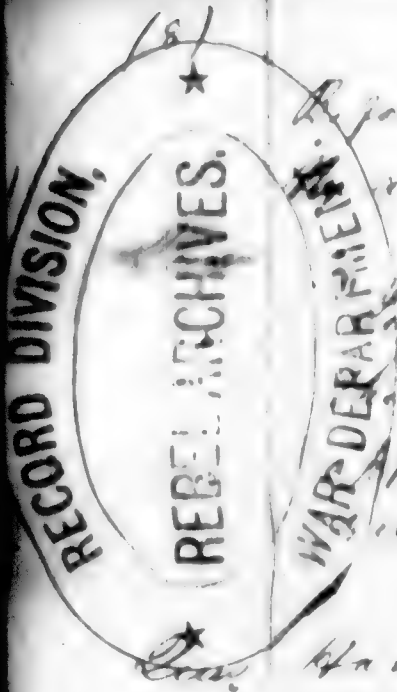

Ques. What has been his general character as a soldier?

Ans. His general character has been that of a good soldier.

Ques. Was he not detailed, or put on duty after he was arrested for the alleged offence for which he is now being tried, if so, state what duty, and all the circumstances?

This question was submitted to the Court by the Judge Advocate and the Judge Advocate objected to the same being received, on the ground that it was irrelevant to the issue.

Thereupon the Court was cleared for deliberation, and having maturely considered the same, it was decided that the question was not a demurrer, and that he could not answer the same.

Before the Court was closed for deliberation on the same,
the accused submitted the following reasons, asking the question:

Asking this question I wish to show the confidence which
officers of his company still reposed in him, by making it
appear that they detailed him for very important and
responsible duty, when in presence of the enemy.

Ques. Have not other other soldiers been found sleeping on their
post, since, in the same company, against whom no charges
have been preferred, if so, why were not charges preferred
against them?

The above question was submitted by the accused, through the
Judge Advocate, to the Court, and the Judge Advocate replied
to the same being answered, on the ground that it was irrelevant
to the point at issue, and thereupon the Court was
closed for deliberation, and having matured, and heard
the same, it was decided that the witness should not be
allowed to answer the question.

Ques. For what purpose was the guard placed?

Ans. It was to keep the men inside the quarters, not expecting
any attack, and to discipline the troops, as far as known.

Ques. Was not the guard frequently neglected, and ultimately
discontinued altogether?

Ans. Prior to that time they kept up the ^{guard} pretty regularly, and after
that time they abandoned one of the posts, and afterwards they
abandoned the guard around the quarters altogether.

Ques. Were not one or two of the posts around the quarters frequently
neglected before that time?

Ans. Not to my knowledge until that night - there was one
of the posts vacated that night.

By the Court

Ques. How long has the accused been in confinement?

Ans. He had a guard around him about a month and after that

(9)

does not know what length of time. After that he was confined to the guardhouse.

Ques. Was he present when the guard detail was made?

Ans. I do not know whether he was present or not when the detail was made in the morning.

Ques. Was this the first instance of a sentinel being found asleep on post? If not, was it a matter of frequent occurrence, and finally, had charges been preferred against him?

Ans. No, Sir, it was not the first instance. I know some eight or ten reported for the same offense, prior to that time, and no charges were preferred against them to my knowledge. There might not have been as many as eight or ten but there was a small number of them.

Ques. Have the Articles of War ever been read to Capt Ireland's company? If so state when?

Ans. They were read the day we were mustered in on the 26th March and read again somewhere about the 1st or 2nd of April. I camp on the Salado.

Ques. Was the accused mustered into the Confederate service at the time the company was mustered in, if not state when as nearly as you can?

Ans. I do not think accused was mustered in when the company was. If he was I do not know it. If he was, he did not come to camp for some two weeks, while we were on the Salado.

Cross examination resumed by permission of the Court

Ques. Was he not strictly guarded about six weeks, and prohibited from conversing with anyone?

Ans. I do not know as to the length of time, but no one was permitted to converse with him.

Ques. How long was he so guarded?

Ans. I suppose it was about a month, but do not know how long it was.

Private & Sworn of Capt John Ireland, a witness in the present case, duly sworn.

RECORD DIVISION
REBEL ARCHIVES

Ques. State all you may know, (if anything) as to the accused being on post, also as to the time, and place, and all about it.
Ans. I was at post No. 1, and Steward, the accused, was, at post No. 4. I saw accused walking his post once or two hours, do not know how long. I had no watch, when the time was up, Corporal Hampton came and relieved me. We then walked to post No. 2 and post No. 3, and came to post No. 4. Mr. Steward, the accused, was walking on his post, but was laying right at the post. Then Corporal Hampton went to him, and he got up. I began around, I was on post from half past eleven to half past one, and accused was on the same time. This was at Camp Christie.

Ques. Did the sentinels on post No. 1 and post No. 4 meet in this walk?
Ans. Yes, they met and touched, but I do not know how long accused walked his post - he walked it a good while.
Ques. Did accused hail the relief as it came up, or did he lay still until Corporal Hampton spoke to him?
Ans. He did not hail the relief, and I was not near enough to hear Corporal Hampton to see whether he attempted to get up before he touched him or not.

Cross Examined by Accused.

Ques. Was not the accused walking his post when you were relieved?
Ans. I think I saw him walking about five minutes before I was relieved.
Ques. Did he appear to be asleep or drunk when you found him?
Ans. I do not know - I saw that he could not go straight.
Ques. Was he not drunk at guard inspection?
Ans. I do not know.

By the Court.

Ques. Was it customary for sentinels on post at night to hail all persons who approached them?
Ans. Yes, it was.
The Judge, I decah, then stated that all the evidence for the prosecution had been presented, and that the prosecution was closed.

102 Sergeant W. H. Brown, of Capt John Ireland's Co. of 10th Infantry, Surgeon.
(A witness for the accused.)

Ques. Do you know anything of the alleged offense for which the accused is now being tried, - if so, state all you know, in relation to the same?
Ans. I know that accused was drunk about sunset, as we expected roll call, I then saw him at eight o'clock, and he was still more drunk and could scarcely stand. This was at Camp Christie, in the quarters, I do not know the time.
Ques. When was this?
Ans. Sometime in the latter part of the month of June, I think.
Ques. Was it the afternoon and night when the accused was arrested for sleeping on his post?
Ans. It was that afternoon and night when the accused was arrested for sleeping on his post.
Ques. Did you see him at guard inspection, and what was his condition then?
Ans. I did not see him at guard inspection, I did not see him at guard mounting, I saw him on the way there and he could not walk straight.
Ques. What was the object of the guard around the quarters?
Ans. To keep the men in their quarters, and out of town.
Ques. Was the evening near at the time?
Ans. No nearer than Shell Bank, which is thirty five miles.
Ques. Did you ever see accused drunk anytime before, when on duty?
Ans. I never did.
Ques. What is his general character as a soldier?
Ans. He was a very good soldier, as far as I know, and tried to obey all rules and orders.

The Judge, I decah, stated that he did not desire to cross examine the witness.
The Judge, I decah, then asked the accused if he had any more testimony to offer - and the accused said that he had not.
The Judge, I decah, then asked the accused if he desired further time to prepare his final defense?

"A"

Defense of C. A. Stuart

First:- It has not been proved that the accused was sleeping on his post. Both the witnesses for the prosecution state they could not tell whether he was asleep or stupified from drink, but they are certain he was drunk when they found him. This then leaves it, at least, doubtful whether he was asleep or not, and he is, therefore, entitled to the benefit of that doubt.
Second:-

But it was furthermore shown that he was very drunk before he was put upon the post. This is an offence, it is true, but it is an inferior one, and for which he should have been tried & punished by a garrison court martial. See Articles of War 110, 66, 67. An article of war inflicts a double punishment for a violation thereof. If then by the commission of one offence the accused had rendered himself wholly disqualified for a certain duty, and is forced to undertake to discharge it and fails to do so, by reason his utter incompetency, it will, ^{not} be contended, I think, that he should be punished for his failure. He was drunk and therefore incompetent to discharge the duties of a guard, and

should not have been put upon the post. The drunkard was an officer, but the failure to perform guard duty was not, because of his incompetency. It will not, however, be contended, for one moment, that had he been so drunk as to be unable to stand, the testimony shows that he was very drunk, staggered very much and the conclusion must be that he could scarcely stand, and had been dragged to his post and had immediately fallen down and gone to sleep, that he could be punished for sleeping at his post. This is an extreme hypothesis I admit, but how are you to fix degrees of incompetency? The only question then that can arise is, was he incompetent to discharge the duty of a guard when put upon the post? if so, he should not have been put upon it; or having been put upon it, he cannot be punished for a failure to discharge the duty, or in other words for sleeping upon his post.

Third;— Furthermore it appears that it was merely a police guard, not in the presence of the enemy, and was considered of very little consequence by the officers; which is manifest from the fact that

— — — — —
 eight or ten ~~seven or eight~~ soldiers had previously been found asleep on their posts, against whom no charges have been preferred; and from the further fact that, about that time, some of the posts were neglected and afterwards the entire guard was discontinued. Under the circumstances, then, the officer is not a serious one, in admitting the guilt of the accused, which I do not by any means, and ^{he} has, therefore, been sufficiently punished, by being kept under a close guard for a month, without being allowed to speak to any one.

Capt

I have the honor to
most respectfully request the Maj. Genl. Commanding
to grant me days leave of absence
based upon the following reasons. There
are three Officers in the Company present for
duty. one captured by the enemy at Lamar
Texas Feb 11th 1864. I have not had a furlough
since May 62 was absent sick from the Company
for six weeks Last December one year ago was never
on detached service nor absent without leave
my property consisting chiefly in stock is
being driven off by the Yankees taken on
board of boats and shipped beyond my
jurisdiction. The dwellings and out houses
and all the lumber about the premises have
been taken away. The Yankees have about thirty
head of my gentle riding horses and with
them they are pillaging and destroying what
ever they can get hold of. There are no troops
nearer than one hundred and fifty miles
certain except the home guards on the San Antonio
rivers too far off to do anything. I reside at Englewood
twelve miles from Corpus Christi. where I wish to go
I am your most obdt servant

Colonel

I would most re-
spectfully request through the Major General
could a leave of absence for thirty days be granted
in compliance with the regulations of Genl Order
No. 100. I have been in the service of the Con-
federate States for more than two years that
I have had two leaves of absence during the
time one in November 1863 for 24 days the other
in November 1863 for 7 days. I have never been
absent without leave. These are besides myself
two officers for duty in the company whom I at
times have replaced.

Their illness and condition of my family
at home render it imperative that I make
the application for leave. I trust that the Genl
will give fully and contented with both his
self and his duty to go and the same

Yours respectfully

Private Wilson of Capt Gorge's Company, 2,
of the 8th Infy. of Pennsylvania State, is my son
enlisted by the State of the 8th Regiment & 24th
Regt. on the 22d day of Feb. since that year he
was born in Shelby Co. in the State of Ky.
He is 20 years of age, 5 ft 10 in tall, 140 lbs
complexion fair, dark hair, and blue eyes
during enlistment he has been in the
middle of the 24th Regt. has been in the
line fifty days. He is always a
faithful Soldier, and has been
of absence in the last twelve months
he is now in the 24th Regt. and has a severe
at Seckman's in the very much to be
land, and is able to perform his
duties as a Soldier for some time to come.

W. S. Gage
Capt Commanding Co

Recently I have carefully examined the
Socio Soldier Wilson of Capt Gorge's
Company and find him incapable of
the duties of a Soldier because of the
wound on his arm. I have a great deal of
experience in the treatment of soldiers
and find that the consequence of the
wound on his arm is such that I
declare my belief is that he will be
able to perform his duties in a few
than thirty days. I therefore must
fully suggest that he be kept in
such length of time as the Medical Board
may deem advisable.

of duty that I have carefully examined the said
M. Wilkins of Capt. Bredon's, and find him incapable
of performing the duties of a soldier, because of chronic
inflammation of the joints. The pain is often acute
and is increased by the warmth of the bed at night
and is increased by damp weather, there is at all times
great stiffness, and much weakness when motion
is attempted. The joints are thickened, also effusion into
the cellular tissue. The heat of joints affected is seldom
increased, on the contrary, often complains of a cold sensation
and has tightness of the breast with a choking cough &
therefore recommend that the said M. W. Wilkins be
discharged from the service.

Announcing the
Capture of three deserters

1st Regt

Head Quarters
Corpus Christi Tex.,
May 22^d 1863.

Capt C. P. Turner
A.A. General

I have the honor to acknowledge the receipt of your letter of the 20th inst. - announcing the capture of three deserters, private, Justice Withers & Drummers of Penaloza's Company of Infantry, & private Drummers of Capt. Hott's light Battery. Five of Capt. Hott's battery were captured with them. The deserters are now being forwarded to the Major General Commanding.

The remaining seven deserters from these companies are being pursued with a prospect of their being captured.

I have the honor to be
Very Respectfully Yours &c

Report of The
Captain of the
Disorder, by
Lt G. R. Farwell

Corpus Christi Texas

May 22nd 1863

Col. A. M. Hobby

Comd'g 9th Regt

Colonels

I have the honor to

report the desertion of Privates John Christy and
Ramon Aguillar of Capt. Abat's Light Battery
and the loss of two public horses, supposed
to have been taken by them in company
with eight men reported as having deserted
from Capt. Penaloza's Company of Infantry.

And would call your attention the measures
taken for the capture of the men and recovery
of the horses which have so far, resulted in
arrest of Private John Christy of Capt. Abat's
Company Justus Withers and John Jenkins
of Captain Penaloza's Company and the recovery
of five public horses.

At about half past
ten o'clock last night Private John Christy

of the Battery deserted his post, which was over
the Picket Line, and allowed the deserters
from the other Company to take horses the horses.
About twenty minutes later, the Sergeant of
the Guard in making his usual inspection
discovered his absence and immediately
reported the fact to me, and as soon as they
could get in readiness I sent Lieut. Fulcrum
of the Battery with five men of my Company
who were joined by four volunteers from
Capt. McCampbell's Company of your Regiment,
immediately in pursuit of them, with
orders to follow them so long as there was any
chance of effecting their capture this side of
the Rio Grande, or until their animals could
go no further. At 11 O'clock A.M. today Lieut.
Fulcrum arrested them at them, as before
mentioned and sent them to me at this
Post under guard of ~~the~~ men of Captain
McCampbell's Company, and continued in

pursuit of the remaining seven,
I have had
them confined in the Guard House and
closely ironed.

As I shall prefer charges
against Private John Christy of my company
"of desertion" I would request that a speedy
trial may be granted as the company is under
orders for Houston and I cannot safely
carry him, and, were I to leave him here
to await his trial, I must of necessity leave
the writing to the signature justice.

Very respectfully,
Your Obedt Servt

 to ground an application for Leave of Absence.
 I do hereby certify that I have carefully exam-
 ined said Officer & find him Labouring under
 Chronic Bronchitis & General Debility brought
 on by exciting cause of Fall Atmosphere; &
 that in consequence thereof he is in opinion
 unfit for duty. I further declare my belief
 that he will not be able to resume his duties

From facts I gather he has been under no
 regular treatment, & that I am of opinion
 that under judicious medication & removal
 from exciting cause, his recovery need
 not be remote.

In consideration of reasons set
 forth I recommend a further extension
 of furlough.

I do hereby certify that I have carefully examined this
officer and find that he has Chronic Bronchitis that he
is much debilitated, in my opinion altogether unfit to perform
the duties of a soldier in the field. As long as
the Regiment remains on the coast. The saline dampness
of which air is so injurious to pulmonary affections generally
he has been suffering from since he left Surgeon Drill

Sir,

Having informed myself as to the propriety of addressing a private letter to you, I thought it proper to state to you the circumstances. I am very delicately constituted, and wholly unfit for the performance of physical exertion. In my most favorable health I am too slight in physical organization to undergo much manual labor. The atmosphere so near the coast has so far proved itself an enemy to my health. I have no profession, my father was a merchant in Washington, D. C., Texas, & was disappointed in my education, preferring that I should enter into no profession at that time, for fear, on the one hand, of contracting disease, on the other, of my inability to perform physical labor. I have the honor
to call your attention to the enclosed papers.
It is possible that the May Genl
Army Disch May have the power to then
discharge soldiers, but when I began
the correspondence with him I did not
believe he had the power and the correspon-
dence has failed to change my opinion.

I enlisted the man, and personally
saw him of all his affairs and
circumstances in life and him yet to
learn one single ground upon which
an application could be made for a
discharge. The man was a volunteer
and had never applied for a discharge
was quite surprised when I informed
him of the order discharging him, though
quite willing to accept it.

With all our respect to the May Genl
I protest that I was not fairly dealt
with in the matter. I have sought through
the proper channels as will be seen
by reference to the enclosed papers,
for some reason, for an explanation

in regard to the matter, and the papers
will show the conclusion.

I respectfully ask that the
man, who is now here able bodied
and young, may be ordered back
to his co. The co. is now comd
by Capt. W. L. George, 8th Iowa Inf't
I am very Resp't

enclosed a copy of the order
which I have forwarded to the
proper authorities. The only information I
can obtain I beg leave to refer to
the fact that no one was more surprised
at the reception of the order than private
Wright. I understood this man some years ago
was a volunteer and never had
been to me that he desired a discharge
as a young able bodied man. He
who is, in action is a descendant of
the old soldiers with whom this means
I am the more anxious to know
this man than given the fact that he
is a soldier and a comrade of the
